Disclaimer

The information provided in this good faith estimate is only an estimate regarding items or services reasonably expected to be furnished at the time this good faith estimate is issued to you and actual items, services, or charges may differ from this good faith estimate. There may be additional items or services that your provider recommends as part of your course of care that must be scheduled or requested separately and are not reflected in this good faith estimate.

If you are billed for more than this Good Faith Estimate, you have the right to dispute the bill. You may contact the health care provider or facility listed to let them know the billed charges are higher than the Good Faith Estimate. You can ask them to update the bill to match the Good Faith Estimate, ask to negotiate the bill, or ask if there is financial assistance available. You may also start a dispute resolution process with the U.S. Department of Health and Human Services (HHS). If you choose to use the dispute resolution process, you must start the dispute process within 120 calendar days (about 4 months) of the date on the original bill. There is a \$25 fee to use the dispute process. If the agency reviewing your dispute agrees with you, you will have to pay the price on this Good Faith Estimate. If the agency disagrees with you and agrees with the health care provider or facility, you will have to pay the higher amount. To learn more and get a form to start the process, go to www.cms.gov/nosurprises or call 1-800-985-3059.

This good faith estimate is not a contract and does not require you to obtain the items or services from any of the providers or facilities identified in this good faith estimate.
